All contributions are completely voluntary. You may refuse to contribute without reprisal. **We have communicated the importance of safety precautions related to COVID-19 with the Golf Club of Dublin. The course has relayed its commitment to following state guidelines exactly as required. As of now, the course is allowing two riders per cart. Carts are sanitized before and after use. The course uses 'no touch' ball retrieval on each hole. Sanitizer is readily available around the course. The course facilities allow for social distancing during all gatherings before and after play. If you have come into contact with a COVID positive/suspected COVID positive individual or have displayed symptoms within two weeks of the event, please do not plan to play.

Please reach out to Director of Strategic Communications Patrick Schwartz (pschwartz@leadingageohio.org) or Director of Corporate Relations and Initiatives Corey Markham (cmarkham@leadingageohio.org) for questions on the event.
