

Post-Acute Liaison (PAL) Program

Buckeye Health Plan has a dedicated liaison program to assist members, providers and community-based service providers throughout the post-acute care continuum.

Your Buckeye Regional Post-Acute Liaison is here to help:

- Create smooth transitions to enhance quality care
- Provide guidance on coverage, care coordination services and claims payment
- Serve as single point of contact for unresolved barriers and questions
- Enhance communication to resolve barriers, improve engagement and increase satisfaction

Your Regional Post-Acute Liaison is here to help.
