Notice Date: December 9, 2020
To: Ohio Skilled Nursing Facilities/Nursing Facility Providers
From: CareSource
Subject: Nursing Facility Assessment Tool

Summary

CareSource is committed to assisting providers by sharing information and resources to support better business practices. The [Nursing Facility Assessment Tool](#) is a resource tool that can be used by nursing facilities (NFs) to guide the process of submitting documentation to CareSource for level of care review when NF admission or continued NF stay is requested.

Impact

Using the attached checklist will help providers submit complete clinical documentation to CareSource for evaluation of member level of care.

Importance

The tool is not a mandatory requirement but is a resource document to help ensure providers submit all pertinent documentation for consideration for initial and continued stay NF requests.
